

where the pancakes are

buttermilk batter matters

Our batters are made fresh every day using highly nutritious ingredients. The organic flour blend includes buckwheat that, amongst many other attributes, lowers cholesterol and blood sugar levels. Equally, our high welfare eggs and buttermilk are a superb source of minerals, vitamins and proteins. As a by-product of the buttermilk-fermented batter, our pancakes are "slow" to cook. You may therefore have to wait a little longer than you would expect. We think it's worth it!

3-in-1 batter: vegan, dairy-free & wheat free

We are aware of the food sensitivities of many of our guests. As an alternative, we offer our 3-in-1 batter. It is vegan, dairy-free and wheat-free by using organic rice & buckwheat flour, soy milk & chickpea water.

v – vegetarian vv – vegan
vo – vegan option wf – wheat free

The Dutch Baby is an American interpretation of a centuries old German dish. Nothing to do with the Dutch – actually, it's very much a Yorkshire pudding look-a-like. Baked in a cast-iron skillet, this dish will require at least 20 minutes of oven time.

shrub soda

Babylonians, Romans, seafaring sailors and gold-rush pioneers all drank shrubs for sheer joy and to steer off illnesses. As naturally preserved and fermented foods are re-entering our diets, vinegar based shrubs are slowly finding their limelight.
