

Buttermilk batter matters

Our batters are made fresh every day using nutritious ingredients. An organic flour blend that includes buckwheat flour which lowers cholesterol & blood sugar levels, plus a small amount of panela sugar. High welfare eggs & buttermilk are a superb source of minerals, vitamins & proteins. As a by-product of the buttermilk-fermented batter, our pancakes are "slow" to cook. You may have to wait a little longer than you would expect. We think it's worth it!

3-in-1 batter

vegan, dairy-free & wheat free

Aware of the food sensitivities of many of our customers, we also offer a 3-in-1 batter. It is vegan, dairy-free & wheat-free by using organic rice and buckwheat flour, soy milk & chickpea water.

v – vegetarian

vv – vegan

vo – vegan option

wf – wheat free
