Batter matters

Our batters are made fresh every day with an organic flour blend that includes buckwheat, known to lower cholesterol & blood sugar levels. We use nutritious ingredients including high welfare eggs & buttermilk, which are a superb source of minerals, vitamins & proteins.

As a by-product of the buttermilk-fermented batter, our pancakes are "slow" to cook. You may have to wait a little longer than you would expect. We think it's worth it!

3-in-1 batter

vegan, dairy-free & wheat free

Aware of the food sensitivities of many of our customers, we also offer a 3-in-1 batter. It is vegan, dairy-free & wheat-free by using organic rice and buckwheat flour, soy milk & chickpea water.

ve – vegan wf – wheat free

voa – vegan option available

Where better than London?

Biercraft

Based in E9, the team at BC works with the World's and London's most exciting small craft breweries. Check out the Rodeo pale ale or the gluten-free Thornbridge lager amongst our short-list. Both are as good as they get.

Borough Wines

Over the twenty years since popping up at Borough Market selling wine straight from the barrel, BW pioneered importing wines that in process & packaging are environmentally sound. We love our small selection from Italy, Spain & France.

The London Vermouth Company

Three friends in Kilburn are the official first vermouth producers in London. Their No.1 Amber Limon is triumphant in our best-selling spritz with the same name.

All prices are inclusive of VAT. A discretionary 12.5% service charge will be added to your bill, 100% of which goes to all kitchen & service team. We accept no cash.
