

## All day menu

All things on our menu are made fresh with heaps of TLC. No factory food nor funny sounding ingredients come near our kitchen and bar. Only the good stuff.

## Buttermilk batter

Used for our savoury and sweet dishes, our staple batter is made fresh every day and left to steep for at least 8 hours. The high welfare eggs & buttermilk are a superb source of minerals, vitamins & proteins and our own flour blend of organic plain and buckwheat flour contributes to lowering cholesterol & blood sugar levels - plus we only use a small amount of sugar. Due to their fluffy nature, our pancakes are "slow" to cook. You may have to wait a little longer than you would expect. We think it's worth it!

## 3-in-1 batter (ve, wg, df)

Our alternative batter is dairy-free, vegan & without gluten and is made with our flour blend of organic rice and Buckwheat flour plus soy milk & chickpea water.

Allergy advice: Please note we use common allergens in our restaurant and cannot guarantee the absence of allergens from our dishes and drinks. The risk of cross contamination of nuts & gluten is high due to the nature of our menu and we would not advise those with a severe allergy to nuts or gluten to dine with us.

v – vegetarian  
voa – vegan option available  
wg – without gluten  
ve – vegan df  
– dairy free

All prices are inclusive of VAT. A discretionary 12.5% service charge will be added to your bill, 100% of which goes to our teams. We are a cashless restaurant.
