

Our all-time bestselling dish, The American, is officially retiring. Yep after 10 whole years — it's no more! But don't panic, because something even better is stepping into the spotlight. The real star of the show? 100% pure maple syrup from Quebec. Introducing The Canadian, served with 0% tariffs.

Buttermilk pancakes

Our signature buttermilk batter— is made fresh daily, steeped for 8 hours, and low in sugar. Made with St. Ewe's high-welfare eggs and a blend of regenerative flours, it's both nourishing and delicious. Our fluffy, fermented pancakes take a little longer to cook—but they're worth the wait!

Allergy advice: We use common allergens in our restaurant and cannot guarantee the absence of allergens from our dishes and drinks. The risk of cross contamination of nuts, gluten, dairy & egg is high due to the nature of our menu and **we would not advise those with a severe allergy to these to dine with us.**
