

Everything on our menu is made fresh from scratch every day by our chefs, with heaps of TLC, using only the best ingredients. No factory food comes near our bar or kitchen. Only the good stuff.

Buttermilk pancakes

Our signature buttermilk batter—used in all pancakes—is made fresh daily, steeped for 8 hours, and low in sugar. Made with high-welfare eggs and a blend of regenerative flours, it's both nourishing and delicious. Our fluffy, fermented pancakes take a little longer to cook—but they're worth the wait!

3-in-1 pancakes (ve, wg, df)

Our alternative batter is dairy-free, vegan & without gluten and is made with our flour blend of organic rice and buckwheat flour, soy milk & chickpea water.

Allergy advice: We use common allergens in our restaurant and cannot guarantee the absence of allergens from our dishes and drinks. The risk of cross contamination of nuts, gluten, dairy & egg is high due to the nature of our menu and **we would not advise those with a severe allergy to these to dine with us.**
